Designed with passion for any business or home.

## Specialists of HARDWOOD

At Oldroot you can find the best in custom made wood furniture created from the indigenous wood styles. Wood gives a beautiful and very long lasting feel that is naturally beautiful with amazing & unique patterns and textures from our very own African soil. Each piece has its own unique patterns and features which in turn will make your piece of furniture truly one of a kind.

**In April 2018, Oldroot put down its roots in Hoedspruit, where we give new life to African hardwood sourced throughout Africa.**

We offer a wide selection of lumber to choose from to make your dream furniture piece come true. With a natural eye for detail and an aptitude for perfection our solid wood handcrafted furniture will last for generations.

## What Our Clients Say

We ordered a dining room table from Jacques with very specific design criteria and dimensions. Upon completion we were amazed by the quality and workmanship. It exceeded our expectations by far!
